Terms & Conditions of Short Tender No.-32/2018-19

99

1. Tender of the firm will be accepted only on the condition that if their tenders are approved, the firm shall get registered with the Commercial Tax Department, Bihar, before the purchase order is issued.
2. The tender should be submitted in two parts: (i) Technical Bid and (ii) Financial Bid, duly sealed in two separate envelopes super-scribed as "Technical Bid" and "Financial Bid".
3. All relevant papers/ E.M.D./certificates/specifications etc. of items should be enclosed in the Technical Bid.
4. The rates of the items shall be quoted in the Financial Bid only.
5. All charges like IGST/CGST/SGST etc. shall be clearly mentioned in the Financial Bid and the net rate (in figures and words) including all taxes and duties must also be quoted. Vague offers like indicating taxes "as applicable" will not be accepted.
6. The rates of the items shall be quoted in the Financial Bid in two parts :
(i) With AMC (Annual Maintenance Contract) and (ii) Without AMC
7. There should be no cutting, over writing or correction on the rates.
8. The technical and financial bids for each item should be submitted separately in separate envelopes. The technical and financial bids for more than one items submitted together in the same envelope shall not be accepted.
9. If the financial bid is submitted in the same envelope containing the technical bid then also it shall be summarily rejected.
10. The technical and financial bids should be put in two separate sealed envelopes and the envelopes should be marked Short Tender No-32/2018-19 (Technical Bid) and Short Tender No-32/2018-19 (Financial Bid) along with the name and address of the firm. The sealed envelopes containing the technical and the financial bids should be sent in another sealed envelope which should be marked as Short Tender No-32/2018-19. This envelope should not bear the name and address of the firm.
11. Income Tax Returns of last three years, a photocopy of GST registration number of the participating firm and turn-over of any two of the previous three financial years should be submitted with the technical bid. It should be specifically mentioned whether IT return has been filed manually or electronically.
12. The turnover of the firm for the last reported financial year should be at least equal to the amount of the supply order which is being issued. A copy of the profit and loss Account of the firm for any two of the previous three financial years, certified by a Chartered Accountant should be submitted along with the tender. If the tenderer is authorized dealer or authorized supplier of manufacturing firm, then the certified details of the turnover of authorizing firm may be accepted. Tender specific authorization from the OEM must be submitted, but in certain cases where authorization from OEM is not required, the Technical-cum-User committee (T.U.C.) shall decide about exemption (if any) on a case-by-case basis; citing appropriate reasons for the same.
13. If there is some discount in the price of any item, it should be deducted from price itself and such discounts should not be quoted separately.
14. If the product is available on DGS & D rate contract, then a copy of the contract must be attached and pricing be done including all taxes.
15. A copy of the test report for the product issued by any established and recognized private Laboratory or by agency accredited by the Government should be attached with the technical bid. However if required, the Technical-cum-User committee (T.U.C.) can take decision regarding exemptions/relaxations (if any), citing appropriate reasons.

16. In case of Bullet Proof/Bullet Resistant items, test report of TBRL or any Government Approved/Recognized Laboratory is compulsory.
17. Firms participating in this tender shall also submit duly sworn affidavit to the effect that " this firm has not been black listed/debarred by any Government or Semi Government or Private Agency and no sister concern of this firm is participating in this tender."
18. Firms participating in this tender shall also submit the self attested list of users of its equipments.
19. All items shall be received at Central Clothing Store, Patna; therefore price should be quoted FOR Central Clothing Store, Phulwari Sharif, Patna.
20. Firms will have to deposit a sum of Rs.50,000/- (Fifty Thousand) only as an earnest money deposit in the form of Bank Draft duly pledged in favor of the undersigned along with the quotations. The small scale units located in Bihar shall not be liable to deposit earnest money. Exemption from submitting E.M.D. will also be available to those who are registered with the Central Purchase Organization/State Purchase Organization and National Small Industries Corporation (NSIC).
21. Technical Bids will be opened on scheduled date and time in the office chamber of Police Headquarter. Representatives of the firms competing in the tender may remain present at the time of opening of the technical bid.
22. The technical bids will be opened first and placed before the Technical Committee of the Police Headquarters, Bihar. If the technical bids are found satisfactory as per tender conditions, it will be put before Central Purchase Committee of the Police Headquarters, Bihar. The firms may be required to participate in the demonstrations of the quoted product and discussions with this committee.
23. Any paper/document will not be accepted after opening the tender.
24. Successful firm will have to enter into an agreement after depositing a sum of 5% of the total value of the order as security money in the form of Bank Guarantee duly pledged in favor of undersigned.
25. The firm will be required to provide satisfactory after-sales service after the delivery of the product.
26. The firm will be required to supply all the items within the stipulated time frame as mentioned in the purchase order.
27. Payment for the delivered items will be made only after the acceptance report of the Inspection Committee of the Police Headquarters, Bihar.
28. The firm whose quotation is approved by the Central Purchase Committee of the Police Headquarters, Bihar, shall be invited to enter into an agreement with the undersigned.
29. It is expected to submit the duly filled chart attached herewith, along with the technical bid if not the tender shall be summarily rejected.
30. Indexing of the requisite documents must be done and submitted along with the technical bid.
31. Hands on training for 3 weeks of the equipment must be imparted to the user group by the firm after successful installation.
32. Director General of Police Bihar, Patna reserves the right to reject any or all the quotations partially or fully, without assigning any reason thereof.
33. The Quantity indicated may increase or decrease at the time of issuing purchase order.
34. The bids must include the data sheet of individual item.

Features of Rino GPS 750

- 5 W FRS/GMRS two-way radio offers extended range, up to 20 miles; communicate by voice or unit-to-unit text messaging
- High-sensitivity GPS and GLONASS satellite reception; tracks in more challenging environments than GPS alone
- Position reporting feature shows locations of other Rino users on the same channel; lets them know where to find you in an emergency¹
- 3" sunlight-readable touch screen with dual orientation (landscape or portrait view)
- Dual battery system provides up to 14 hours between charges on lithium-ion pack or up to 18 hours with optional AA batteries (sold separately)
- Rino 755t adds preloaded TOPO U.S. 100K maps and 8-megapixel autofocus camera with LED flash/torch

Combining map-guided trail navigation with two-way radio communication, the Rino 750 handhelds bring a whole new level of confidence to the outdoor adventures. This model features a unique position reporting capability that lets us send your exact location to other Rino users so they can see it on their map displays.

Pinpoint Position

Dual GPS and GLONASS satellite reception enables Rino series handhelds to accurately track and maintain position — even in heavy cover, deep canyons or remote, off-the-grid locations. Each Rino also lets us share your waypoints, tracks, routes and geo caches wirelessly with other compatible Garmin handheld devices. A built-in barometric altimeter and 3-axis compass make it easy to get your bearings. And Rino 750 supports advanced mapping capabilities such as Birds Eye Satellite Imagery.

See Your Surroundings

Rino 750 handhelds come with a worldwide shaded-relief base map. With our wide array of detailed topographic, marine and road maps available, it's easy to install additional mapping products. Just use the unit's microSD™ card slot to load the compatible mapping options you want. Or you can use our free Custom Maps software to transform paper and electronic maps into downloadable maps for your device.

Keep a Close Eye on the Weather

With support for Active Weather forecasts and animated radar tracking, Rino 750 gives you a vital edge in weather awareness. Get real-time conditions, forecasts and alerts (in areas with coverage) directly on your handheld display when the Rino is paired with a compatible smartphone¹ and the Garmin Connect™ Mobile app. For added situational awareness, a built-in NOAA weather radio supports Specific Area Message Encoding, which allows you

to see National Weather Service warnings and watches displayed county-by-county on the map screen.

Wireless Connectivity Features

Syncing your Rino 750 handhelds with a compatible Bluetooth®-enabled headset enhances your radio communications — even under adverse weather or windy conditions. By syncing your device with a compatible smartphone¹, you can also receive smart notifications (calls, texts, emails and more) right on your display so you can stay focused on the trail ahead while staying connected with friends and family back home. For added flexibility, you can even customize your Rino handheld's display with free downloads of apps, widgets and data fields from our Connect IQ™ online store².

Think Rugged and Robust

Durable and water-rated to IPX7, the Rino 750 series is built to keep you in touch and on track, no matter what the elements throw at you. Each device features a vivid, dual-orientation, 3" colour touch screen that's glove-friendly and easy to read, even in bright sunlight. And a dual battery system lets you use the included rechargeable lithium-ion power pack or AA battery pack (sold separately).

Turn Your Computer into a Base Station

Garmin Base Station lets you turn your laptop (Base Camp software required) into a field command center for tracking multiple Rino units. View real-time GPS information on the larger display of your computer while Rino serves as a router/antenna. And because it's Garmin GPS-based, you're in control of more effective search and rescue operations, even when internet or cell phone service isn't available.
